Added: March 6, 2006

**AMOUNT OF SPACE:** The U.S. Government intends to lease a total of 24,680 rentable square feet (21,461 contiguous BOMA usable square feet) and six (6) reserved outside parking spaces based on the determination that this is within the best interest of the U.S. Government. This space will be made available for use by the USDA Natural Resources Conversation Service's East National Technical Center and East Remote Sensing Laboratory personnel, furnishings and equipment to maintain mission critical engineering, research, development, and academic requirements.

**LOCATION:** A negotiated action under Solicitation 5NC0075 will result in a non-competitive award to locate the USDA Natural Resources Conversation Service's East National Technical Center and East Remote Sensing Laboratory on the North Carolina A&T State University Millennium Campus.
